

# Gourmet Grazing at Baldwin Bonanza Preview Party

More than 250 "first nighters" enjoyed that very special experience of a dazzling late afternoon and balmy early evening in Spring, to be found only on the grounds of The Arboretum, at the Baldwin Bonanza Preview Party. Gourmet grazing alfresco, and a fabulous display of plants and trees as part of the Preview Sale, created an atmosphere of sociability and relaxation for guests, who, for the most part, took their leave with reluctance only as darkness fell.
